Dear Mr. Wittkowski,

Hello, I want to first and foremost thank you for sponsoring me to be a part of such a phenomenal program, Badger Boy's State. Throughout my time here, my social skills have skyrocketed! I have learned to open my shell and be more of an expressive person. I have had the privilege to meet so many amazing people which has ultimately shown me how many people share similar future goals. I am a citizen of Randall, in the county of Howe. As a part of my county, I've been appointed by my city mayor as the emergency management director, and selected to be on the election board committee. Being chosen for these positions has allowed me to express my capabilities of responsibilities for the entire group. I truly appreciate and never will forget this experience. Thank you for giving me the opportunity to witness such a life changing program, Badger Boy's State.

Sincerely,  
Brandon Whitson
