

**George Washington Bay View Post 180  
Memorial Brick Program**

Honor those who served our country, other loved ones, or extend a gesture of appreciation by ordering your inscribed personalized brick today. Your inscribed memorial brick will be permanently installed within our recently completed handicap accessible Kinnickinnic Ave memorial building entrance. There are only 100 bricks available, so act now and don't miss this one time opportunity. A minimum \$100 donation is requested for each brick. Your \$100 donation is tax deductible if you itemize taxes and you will be provided a receipt. Money raised from this fund raising program will be used exclusively to further the objectives of the American Legion. Those objectives include but are not limited to support of veterans programs and promotion of civic responsibility.

Please note that memorial bricks cannot be "reserved". The Fund Raising Committee (The Committee) has exclusive right to reject any inscription deemed inappropriate by The Committee, or any incomplete order. The Committee will determine the wall position of each brick.

Brick measurements are approximately 4"x8"x3". Each brick has a maximum of 3 lines, with 14 characters in each line, a maximum of 42 characters including spaces. All letters in the inscription will be in capital letters and will be in a style similar to that appearing in the "Brick Inscription Example".
